New Manga Series

The other day, at a certain high-end hotel in the city, we held the Yudetamago Manga Artist 20th Anniversary Party!

The ballroom was crowded with 250 guests. We had lots of events, like a live band and a trivia contest. However, the most popular feature was the food stands: "Margaro Sushi," "Suguru Beef Bowl," "Sunshine Skewered Oyster"... etc. All of them were delicious and sold out in 30 minutes.

-Yudetamago

Yudetamago is the pen name of artists Yoshihito Naka and Takashi Shimada, who created the original hit KINNIKUMAN (MUSCLE MAN). KINNIKUMAN, which debuted in 1979, quickly grew into a massive slapstick wrestling epic and one of the most popular features in Japan's *Weekly Shonen Jump* magazine. ULTIMATE MUSCLE (known in Japan as KINNIKUMAN II SEI) is Yudetamago's most recent creation.
